

## **Dee4Life Nomination for Director Forms**

Please note that as regards obtaining original signatures of Proposer and Seconder, should it prove impractical to do so due to Covid restrictions/Social Distancing, the following is acceptable:

- 1) Nomination form with electronic signatures (printed & sent to EMG)
- 2) Nomination form unsigned by Proposer & Seconder but listing their names and membership details which would be ratified by a) a separate letter sent to the EMG or an email to [Contact@Dee4Life](mailto:Contact@Dee4Life) confirming they are Proposing or Seconding the nominee and confirming their details.

Both alternatives would have to be received before the closing date.
